

GENERAL SAFETY RULES

- The Transtainer Crane (RTG) ALWAYS has priority on streets and crossroads.
- **Drive in your lane at a maximum of 30 km/h, paying attention to curves and access to intersections, which will be limited to 10-15 km/h.**
- All trucks and vehicles which access to the Terminal will be obligated to turn right.
- It is strictly forbidden to get off the truck when loading/unloading containers.
- The opening and closing of twistlocks shall be carried out only in the safe areas enabled and signposted for this purpose.
- Mandatory PPE must be worn in twistlock areas.
- It is prohibited to invade the RTG lane (yellow line) and try to keep certain distance with it (about 50cm). Also, Don't invade the safety distance (White line).
- **If you detect an emergency or if you are involved in one, please inform to GATE TEAM: 956671625 / 669663260**
